

# TAPESTRY

In the tapestry of life, we're all connected.  
Each one of us is a gift to the other.  
We help each other to be who we are.  
We make a perfect picture together.

Yes, the connections we make throughout the day  
Weave our tapestry of life. They're intertwined.  
Individually, we're all only fragile threads,  
But what a tapestry we make when combine!

Life is not a series of coincidences,  
But a tapestry of events as we live our days.  
The events culminate into an exquisite plan.  
Our tapestry defines us in so many ways.

Your collection of experiences, every part of your life,  
Are the threads of your tapestry. I wish to impart.  
Weave your life experiences into a beautiful picture.  
Make the story of your life into art.
